An individual estate property record and report showing the disposition of all property of the estate is attached as **Exhibit A**.

4. The trustee realized the gross receipts of \$ 9,732,040.83

Funds were disbursed in the following amounts:

Payments made under an interim distribution	<u>104,297.27</u>

6. The deadline for filing non-governmental claims in this case was 09/14/2009 and the deadline for filing governmental claims was 09/14/2009. All claims of each class which will receive a distribution have been examined and any objections to the allowance of claims have been resolved. If applicable, a claims analysis, explaining why payment on any claim is not being made, is attached as **Exhibit C**.

7. The Trustee's proposed distribution is attached as **Exhibit D**.

8. Pursuant to 11 U.S.C. § 326(a), the maximum compensation allowable to the trustee is \$0.00. To the extent that additional interest is earned before case closing, the maximum compensation may increase.
